25X1D

A large armament plant has been identified on KEYHOLE photography at a location 0.5 nautical miles NE of the center of Pyorha-ri, North Korea. This plant was first seen in an early stage of construction on [redacted] it probably replaced smaller plants which had been present previously at this town.

25X1D

The plant is composed of 4 large single-story fabrication/assembly buildings, 4 3-story engineering/shop buildings, a thermal powerplant, and 12 smaller shop or storage buildings; it is surrounded by a rectangular wall with a guard tower at each corner. The plant is located at the base of a mountain which rises abruptly above it. [redacted]
